

In Loving Memory of
Colin Dellar

12 October 1950 - 10 March 2019

Colin,

You came to me as a companion, a friend and a lover.
As someone who understood me and accepted me as I am.

We face the future together for as long as time permits.
If you fall I will catch you.

When you laugh I share your joy.

My heart shall be your shelter and my arms will be your home.
From the first you were, you are, my Mr Wonderful and the Sunshine
in my day.

I give you my heart to keep.

I love you.

Lynnette,

All I ever wanted was to be part of your heart and for us to be
together, to never be apart.

No one else in the world could even compare,
your perfect and so is the love we share.

We have so much more than I ever thought we would,
I love you more than I ever thought I could.

I promise to give you all I have to give,
I'll do anything for you as long as I live.

In your eyes I see our present, future and past,
by the way you look at me I know we will last.

I hope that one day you will come to realise,
how perfect you are when seen through my eyes.

All my Love
